Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 items:

1. Schedule A of your report discloses an aggregate year-to-date total(s) for a contribution(s) received from several individuals (see attached) which appears to be incorrect. Please amend your report to provide the correct aggregate year-to-date total(s).
2. Schedule E of your report discloses the Calendar Year-To-Date Per Election for Office Sought total for 2008 Senate primary election in the state of Colorado to be \$6,073.43. However, FEC calculations disclose this amount(s) to be \$8,297.97. - Please amend your report to clarify this discrepancy.
3. Schedule B supporting Line 21(b) discloses a negative disbursement to your connected organization totaling \$373.91 for "pulled from advance for i.e. line 24" appears to have no corresponding entry on Schedule E supporting Line 24. Please be advised that in order to avoid deflating your total disbursements for the period, you must itemize as a positive entry on Schedule E any usage of the advance payment made to your connected organization. Please amend your report to clarify this apparent discrepancy.
